

Application for Acceptance

as

Member-in-Training

Thank you for your interest in the work of Bible translation and church planting among unreached people groups around the world! This application is designed to help us at All-Nations get to know you as we all consider and pray about the possibility of joining together in this work.

Joining All-Nations begins a partnership between us and your sending church. For this reason, we will not formally review your application until we have received the Pastor Reference Form. Please give him that form now, and wait to send us your application until we let you know that we have reviewed his reference form and are ready to proceed.

Filling Out the Application

We suggest that you print out the application and fill out sections **A-C** and the last two sections, **M and N**. Then answer the questions in sections **D-L** with a separate document, numbering each answer in order (D-1, D-2, etc.). You are welcome to give a brief explanation with any answer as needed.

If you are under 21, we encourage you to give the Parent/Friend Reference Form to your parents to fill out. If 21 or older, you may give it to your parents or a mature friend.

Mail your completed application to our office, or scan the necessary pages and email the application to us. If you have questions, feel free to contact us.

The "romance" of a missionary is often made up of monotony and drudgery;
there often is no glamour in it; it doesn't stir a man's spirit or blood.
So don't come out to be a missionary as an experiment; it is useless and dangerous.
Only come if you feel you would rather die than not come.
Don't come if you want to make a great name or want to live long.
Come if you feel there is no greater honor,
after living for Christ,
than to die for Him.

— C.T. Studd

I hereby release All-Nations Bible Translation to share any of the information included in this application with my church leaders and any All-Nations leadership or affiliates as it sees fit.
